Carrying handle

The Lanai is a nimble, light and very easy to manoeuvre kayak, from the sea to the agitated river, surfing the waves or strolling along the coast. Like a "go cart", its innovated hull assures an extraordinary stability under all conditions. Its large cockpit makes it possible to accommodate anyone comfortably. The Lanai has many advantages: a great storage capacity, a moulded-in drink holder, universal foot rests, a real concentration of Hobie Cat know-how!
