

We remember Thomas so well. In his term as President of the EHCA he was a guiding light, giving so much help and support when the H16 Europeans were successfully staged here in Jersey in 2000. He also inspired Hobie Fleet 386 to take on a fund raising drive to purchase 6 new Hobie Dragons in 2002 for the RCIYC/HFleet Junior sailing initiative. Thomas was much appreciated for his warmth and friendliness to our Island sailors at International Hobie events.

His outstanding dedication and enthusiasm, not only in his racing ability, but also the time he gave to our sport and the people participating. He was a positive and very warm person who will be sadly missed.

Our thoughts are with his family and close friends. May we offer our sincere condolences and wish you all strength at this time of great loss.

From all of RCIYC Hobie Fleet 386. Jersey, Channel Islands.
